

## QSL Initiative of Radio Tirana and the Austrian DX Board (ADXB)

Thanks to the co-operation between the German language branch of the Radio Tirana Listeners' Club and the Austrian DX Board (ADXB), a special QSL will be issued from September until November 2015. Conditions are as follows:

Irrespective of the language monitored, only one QSL will be issued per frequency.

- Any language other than Albanian shall count.
- Only AM (SW/MW) transmissions originating in Albania shall count.
- Contest Reports are invited to the following address:  
**ADXB – Austrian DX Board, Harald Suess**  
**P.O. Box 1000, A-1081 Vienna, Austria-Europe**
- Cost per reception report: 2 IRCs or 2 EUR or 2 USD.
- Timeframe: 1 September to 30 November 2015 (UTC).

Souvenirs from Albania will be drawn for the participants. Winners will be published on the ADXB website [www.adxb-oe.org](http://www.adxb-oe.org) in December 2015.

The German language department of Radio Tirana also has a listeners' club, which is headed by Werner Schubert in Germany. Therefore, reception reports in German should be sent to the following address:  
**Radio Tirana Hörerklub**, Werner Schubert, Poststraße 8/1, D-85567 Grafing bei München, Deutschland.  
**or e-mail [tirana-hk@finkhaus.de](mailto:tirana-hk@finkhaus.de)**

**The ADXB – Austrian DX Board** – is an Austrian DX-Club for residents of Austria, with currently 150 members and a club station in Vienna. For further information please contact ADXB, Harald Suess P. O.B. 1000, A-1081 Vienna, Austria-Europe
